*What more would you like to tell NCR or the community about your door-to-door outreach?
What are you doing that is new or particularly successful to involve residents and others?*

Door to door outreach is almost impossible in Folwell today. Years ago FNA did door knocked neighborhood surveys and regular door to door out reach. The public safety, both the perception and reality is that the neighborhood is not a safe place. Residents do not open their doors and volunteers will not knock. The solution that FNA is considering is block outreach based on small events.

EVENTS (please check all that apply)

- Staffed a booth or table at neighborhood event or other community event that included sign-up sheets, surveys or information about your organization.
- Organized one or more issue specific event (such as a safety forum, housing fair, Open Streets, Creative Citymaking, etc).
- Organized smaller events for specific outreach to target audiences (e.g., sidewalk tabling to reach renters, lemonade stands, tabling at Farmer's Market, etc.)

What more would you like to tell NCR or the community about your events?
What are you doing that is new or particularly successful to involve residents and others?

Folwell continues to provide the Annual Ice Cream Social and Resource Fair that reaches 3500 residents who attend and more than 30 agencies that participate.

OTHER (please check all that apply)

- Conducted at least one community-wide survey (such as a random sample or all-household survey).
- Conducted another form of survey (e.g., intercept survey).
- Developed partnerships with cultural, religious, professional or business associations to expand outreach into under-represented populations.
- Distributed a quarterly or semi-annual newsletter to all households.
- Other activities (please describe here):

2015 Highlights

PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS

- What was the issue or opportunity the neighborhood was facing?
- Who was impacted?
- What steps did you take to address the issue or opportunity?
- What was the outcome?

MAJOR HIGHLIGHT #1

North Minneapolis Greenway Project: Beginning in 2015 and still continuing, the North Minneapolis Greenway Pilot Project has been the focus of concern and frustration for hundreds of Folwell residents. The project, a City of Minneapolis, Health Department initiative, related to bicycle and pedestrian activities call for the closing of Irving Avenue North to vehicular traffic on a route between Folwell and Jordan Parks. This would require a change in resident behavior since the street in front of their houses would not be available for parking or any kind. This is a highly contentious issue yet to be resolved.

MAJOR HIGHLIGHT #2

Resource Fair and Ice Cream Social is an annual event in June that brings valuable resources to a social event setting in Folwell Park. In 2015 3200 people attended and there were 29 resource tables. Planning for 2016 is underway promising an even larger presence. Several Minneapolis city agencies are represented at resource tables as is Hennepin County.

We'd love to share your highlights with others.
