2015 Highlights

PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS

- What was the issue or opportunity the neighborhood was facing?
- Who was impacted?
- What steps did you take to address the issue or opportunity?
- What was the outcome?

MAJOR HIGHLIGHT #1

LPNA started a Small Area Plan process as a way to address growth issues the neighborhood is experiencing. All residents have been impacted by increased parking, traffic and activity from the 'brew district' and other commercial growth. Residents wanted to be ensured a voice as the pressures increase for both commercial and residential development. The Small Area Plan is also giving us the opportunity to work towards goals of improving the park and planning better bike pathways – as well as a way to bring new people into the ongoing conversation. We anticipate the Small Area Plan to be approved in 2016.

MAJOR HIGHLIGHT #2

LPNA received a grant from CURA for a Conservation District Impact Study. A CURA intern studied the feasibility and potential impact of creating a Conservation District within Logan Park Neighborhood. The goal for this designation would be to maintain our neighborhood's affordability as well as its history. We will be pursuing this designation further in 2016.

We'd love to share your highlights with others.
