**15.** What more would you like to tell NCR or the community about your Stakeholder Involvement? What are you doing that is new or particularly successful to involve residents and others?

McKinley Community is still in a rebuilding phase, but we've been able to keep our CSA operating through a tough season. We're passionate about growing local veggies, and are excited that we've been able to continue that mission.

## PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS

Consider the following when describing each highlight:

- What was the issue or opportunity the neighborhood was facing?
- Who was impacted?
- What steps did you take to address the issue or opportunity?
- What was the outcome?

### 17. **MAJOR HIGHLIGHT #1**

McKinley Community continued our partnership with Serendripity Spot, the coffee shop that rents space in our community building. This has led to an increase in community gatherings, increased awareness of the neighborhood and the CSA. Serendripity has also been essential to the establishment of the 33rd Avenue Grow Way, a pollinator garden thoroughfare that runs the entire width of our neighborhood.

### 18. **MAJOR HIGHLIGHT #2**

McKinley Urban Farms, the community-based urban farm run by McKinley Community, continued to operate in 2017. The Urban Farm provided CSA shares to residents and also sold fresh produce at several retail outlets and markets, including Serendripity Spot.
