• Who was impacted?
• What steps did you take to address the issue or opportunity?
• What was the outcome?

17. **MAJOR HIGHLIGHT #1**

We were looking to gain trust with the community, build relationships and provide network for information and services. We hired, trained and equipped 4 connectors/door-knockers, who knocked on over 2200 doors, had positive engagements with 500+ persons. They conducted a housing survey, handed out information and flyers on community activities and services, gave welcome bags to new residents and personally invited these neighbors to meet one another. We culminated each neighborhood knock with a party to celebrate us.

18. **MAJOR HIGHLIGHT #2**

In the same vein, we created a Monthly Neighborhood night, an open forum for discussion of issues affecting us at the moment, giving everyone access to board members and other decision makers, engaging all in brainstorming for possible solutions, giving us all a better understanding of where our neighbors are coming from...
