15. What more would you like to tell NCR or the community about your Stakeholder Involvement? What are you doing that is new or particularly successful to involve residents and others?

HNA is trying out some different days and times for events/meetings to attract residents with different schedules. We are also using unrestricted funds to provide food and childcare at meetings. We hope this will result in increased resident engagement.

Community Participation Program

PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS

Consider the following when describing each highlight:

- What was the issue or opportunity the neighborhood was facing?
- Who was impacted?
- What steps did you take to address the issue or opportunity?
- What was the outcome?

17. MAJOR HIGHLIGHT #1

In 2018, Harrison Neighborhood Association continued to advance its mission of creating a prosperous and peaceful community that equitably benefits all of Harrison neighborhood's diverse racial, cultural and economic groups by working to ensure that coming investments in transit and transit-oriented development benefit current Harrison residents, businesses and stakeholders without causing displacement. As part of this work, HNA hosted a four-part Gentrification Series which drew over 100 residents to learn about different aspects of the topic and explore potential policy solutions.

18. MAJOR HIGHLIGHT #2

In the Spring of 2018, HNA launched the "Harrison Pitch-In," a resident-led, neighborhood-wide clean up effort. Harrison residents constructed and decorated 30 temporary trash receptacles and placed one on nearly every block of the neighborhood, encouraging residents to pick up litter when they came across it. After just one week, Harrison collected a full dumpster's worth of litter, and residents were able to start off the summer with a clean neighborhood.
