# **2019 Community Participation Program Annual Report** 2019 Highlights

#### PLEASE DESCRIBE ONE OR TWO MAJOR HIGHLIGHTS

- What was the issue or opportunity the neighborhood was facing?
- · Who was impacted?
- What steps did you take to address the issue or opportunity?
- · What was the outcome?

### 18. MAJOR HIGHLIGHT #1

East Harriet is less well known than other area neighborhoods. One of the Board's goals this year was to begin creating an identity for East Harriet so residents will be more aware of which neighborhood they live in. More neighborhood awareness will also help new residents, and especially renters, know how to reach out to us. There is still much to do toward this goal. To begin, we added 3 new events to our annual schedule with the plan to get out in front of our residents more often. Previously, we attended three major events: The Kite Festival in January, Open Streets in June and the East Harriet Fall Festival in September. In addition to that, this year we attended Earth Day in April, the Farmstead Park Summer Kick-off in June and we hosted a neighborhood Happy Hour at Harriet's Inn in December. The Happy Hour especially was a big success and we plan to do more regular Happy Hour events in the future. By the end of this year, we increased our enewsletter list by 40 people, our Facebook list by 25. Additionally, we have a full Board with regular attendance, plus engagement from 6 renters on the Board and Committees.

### 19. MAJOR HIGHLIGHT #2

East Harriet has been working on finding the best opportunities for spending NRP funds since 2016 when we held neighborhood focus groups to be sure we were headed in the direction the residents wanted. Since then we continue work through our partnership with MPRB to add an addition to the Farmstead Park rec center, fund Senior exercise classes, and add tree identification labels to the Lyndale Arboretum. Additionally, we donate funds to both Lyndale Community School and Barton Open School and we match Business Façade Improvement Grants. This year, we worked with Propel Nonprofits to loan them \$55,000 for use on low income housing.
